Looking ahead, going beyond expectations

Since its foundation in 1912 as a yarn manufacturer, EPARA has continued to think about the future of social, economic and the

environment through manufacturing.

Through its commitment to sustainable manufacturing, EPARA has been able to create a sustainable business model that is both profitable and socially responsible.

EPARA's commitment to sustainable manufacturing is reflected in its commitment to the environment, its commitment to the community, and its commitment to the future.

EPARA's commitment to sustainable manufacturing is reflected in its commitment to the environment, its commitment to the community, and its commitment to the future.
